Spare parts
for the
future...

SINCE
1989

Fondata nel 1989, Micromic S.r.l. nasce dall'intuizione di rivoluzionare il settore dei ricambi per elettrodomestici offrendo un'alternativa adattabile, ma di alta qualità. Dalla fondazione a oggi Micromic ha ampliato i suoi orizzonti espandendosi dai ricambi per piccoli ai grandi elettrodomestici, spingendosi fino alla ricambistica del vending, settore nel quale opera ormai da 12 anni.

Founded in 1989, Micromic S.r.l. was born from the intuition of revolutionizing the spare parts sector for household appliances, by offering an adaptable high quality alternative. Since its foundation, Micromic has broadened its horizons by expanding from spare parts for small to large household appliances, going as far as vending spare parts, a sector in which it has been operating for 12 years now.

LA NOSTRA **EVOLUZIONE**

Da una piccola realtà ad un'azienda di 10000 metri quadrati. Una metamorfosi che racconta la nostra evoluzione fatta di impegno, dedizione e passione, che ci ha portato a essere un punto di riferimento per i più importanti produttori, sia nel campo del domestico che del vending, affidandoci la distribuzione dei loro prodotti. Con più di 30 dipendenti, 10 reparti e più di 10000 prodotti siamo in continuo sviluppo.

Founded in 1989, Micromic S.r.l. was born from the intuition of revolutionizing the spare parts sector for household appliances, by offering an adaptable high quality alternative. Since its foundation, Micromic has broadened its horizons by expanding from spare parts for small to large household appliances, going as far as vending spare parts, a sector in which it has been operating for 12 years now.
